My Grown-up & Me Meditation

Caregiver(s) and Child(ren) ages 5-9

Wednesday, May 11th at 6-7pm

Some of the most important things we can teach our kids at an early age is mindfulness, meditation, and self regulation.

The goal of this class is to teach caregivers and children how to utilize breathing and meditation techniques as a form of self regulation, coping skills, sound healing and self care. It's also a beautiful space for caregivers and children to bond and share such an experience. A great opportunity to meet other caregivers and peers.

Please bring water and a Yoga mat for this program.

Limit 8 families. SIGN UP ONLINE REQUIRED.
